Headteacher: Mrs E. Sanderson  
Deputy Headteacher: Mr J. Wheelwright

Dear Parents/ Carers,

We are looking forward to welcoming your child into their new class this coming September. We would like to introduce ourselves within the Year 5/6 Team so that you are familiar with who will be working with your child this academic year. On the reverse, you will find subject details for the autumn term. Have a lovely summer.

**Miss Stanley**

Class 9 Teacher – Writing Lead/  
UKS2 Leader

**Mr Wheelwright**

Deputy Headteacher & Class 8  
Teacher

**Mrs Webb**

Class 8 Teacher – Geography Lead

HLTA working across school

**Miss Scholes**

Class 7 Teacher & History Lead

**Mrs Larkin**

Learning Support Assistant

**Mr Gorner**

Sports Coach across school

**Mrs Raynes**

Learning Support Assistant

# Curriculum Coverage for Autumn Term in Year 5/6

We have lots of exciting learning planned for Autumn Term 2024.

In science, we will be learning about properties of materials and seeing light.

At home you could talk about things that can change state (solids, liquids and gases) around the home and how light travels in straight lines.

Our first geography unit is looking at the United Kingdom. We will be learning about counties, towns and cities as well as geographical features in the UK.

In history, we will be learning about World War Two. We will be completing a number of tasks such as code breaking, becoming evacuees, The Holocaust, Remembrance Day, The Blitz, Allies and Axis, Anne Frank and also how to ration, and the impact this had on people and families.

In PSHCE, we will be learning about Rules and Responsibilities and take part in Anti-bullying week and learn about how to make good choices with our digital profiles and using the internet.

Our art, we will be using charcoal and printing to create some amazing art work.

In DT, we will be making our own stuffed toys.

Our PE topics will be learning how to play Tennis and Cricket as well performing routines in Gymnastics.

In Music, Y6 will continue with their percussion lessons with Mr Armitage and Y5 will be learning how to play brass instruments with Mr Roberts on a Monday afternoon.

In ICT, we will be completing the units Coding and Online Safety.

This will be done before Christmas: we will be very busy!
